

# Concordia Family Camp's Guidelines

Concordia's annual Family Camp is designed to bring together families of the congregation in a Christ-centered weekend filled with games, activities, devotions, Bible studies, workshops, and of course, relaxation in the midst of God's beautiful creation. In an effort to meet this goal each participant is expected to follow a couple guidelines for the sake of *all* who are in attendance for the weekend. If, for some reason, one cannot uphold these guidelines, or refuses to do so, it is expected that they will remove themselves from the Camp for the sake of their brothers and sisters in Christ and their Camp experience.

## Each participant will:

- Enjoy the weekend to the best of their ability.
- Encourage and build up everyone in attendance for Family Camp with the love of Christ
- Actively participate in the scheduled events with the entire group.
- Keep Family Camp and those families in attendance in constant prayer
- Joyfully come to Camp ready and willing to spend the weekend growing in their relationship to Christ
- Not bring items that will distract from the purpose of Family Camp, such as drugs, weapons, or any other item that might hinder one's experience or any other person's experience at Family Camp.

## Alcohol guidelines

- Alcohol is allowed on Friday evening ONLY
- It is expected that consumption of alcohol will not be made public...there will be cups provided for everyone to use for the evening that will not make known what each individual is drinking. (This is not to degrade someone who chooses to consume alcohol during the grill out, but is an effort to not offend somebody who might not agree with this)
- Aggressive unwillingness to abide by these guidelines could result in participant being asked to leave Family Camp for the weekend.
